Unless you've been living under a rock for the past few months, you know it's time to move on accreditation—even if you won't be involved in Medicare competitive bidding this year.

Join *HomeCare* magazine's teleconference "Accreditation: What You Need to Know and When You Need to Act."

Get the latest information on:

- What's going on with accreditation deadlines
- How long does it take? How much does it cost? Does it matter where you're located?
- How to pick the accrediting body that's right for you
- What you should think about in addition to fees
- How CMS' final quality standards fit in
- How your policy and procedure manual can help

Find out what is true and what is not, get your questions answered, and get the information you need to get going. **Register now to reserve your space!**
